SYSTEM REQUIREMENTS

PC system or compatible with one USB port available.

SAFETY NOTES

- To prevent possible hearing problems, do not use the headphones at high volume for long periods of time.
- Keep the equipment dry. Keep away from precipitation, humidity, all types of liquids and condensation.
- Do not use the product with wet hands.
- Do not use or store the equipment in dusty or dirty areas.
- Do not store the equipment under high-temperature or low-temperature conditions (this may damage it).
- Do not drop, knock or shake the equipment (use may result in breakage).

INSTALLATION

1. Insert the USB connector into a USB port available to your computer.

---

2. The system will automatically install the required driver.
3. To activate surround sound, go to Control Panel> Sound> Playback, select the headset from the drop-down list and right click, select Properties> Spatial Sound, choose Windows Sonic from the drop-down box, select Turn on 7.1 Virtual Surround sound and click Apply. Restart the system to activate the settings.
4. For advanced configuration, please download and install the dedicated driver from www.marvo-tech.hk (an Internet connection is required).
5. Download the driver and double-click the executable file; follow the on-screen instructions to complete the installation.

USE

Use the on-ear control to adjust the volume. The microphone is mounted on a flexible arm that allows adjustment of its position.

TROUBLESHOOTING

In case of incorrect operation follow the steps below:
- Check the integrity of the connectors;
- Check the connection to the computer;
- Check your computer settings;
- Disconnect and reconnect the equipment; restart the computer.
If the problem persists, please contact your local seller.

GENERAL INFORMATION

- Unauthorized repairs or disassembly of the product will void the warranty and may cause its damage.
- This product is safe and complies to EU requirements.
- This product is manufactured conforming with the European RoHS standard. This standard was introduced to reduce the amount of electrical and electronic waste emitted into the atmosphere.
- Using the WEEE symbol (the crossed-out bin) indicates that this product is not household waste. When recycling waste properly, you protect the environment and people health. Segregated household waste collection, aids recycle materials and components used for the production of this device. For detailed information about recycling, please contact your retailer or a local authority.
